

# Modern Operating Systems and Computer Network

## Lab Assign. 1: Dijkstra Algorithm

Oct 14, 2025

### Compilation Result

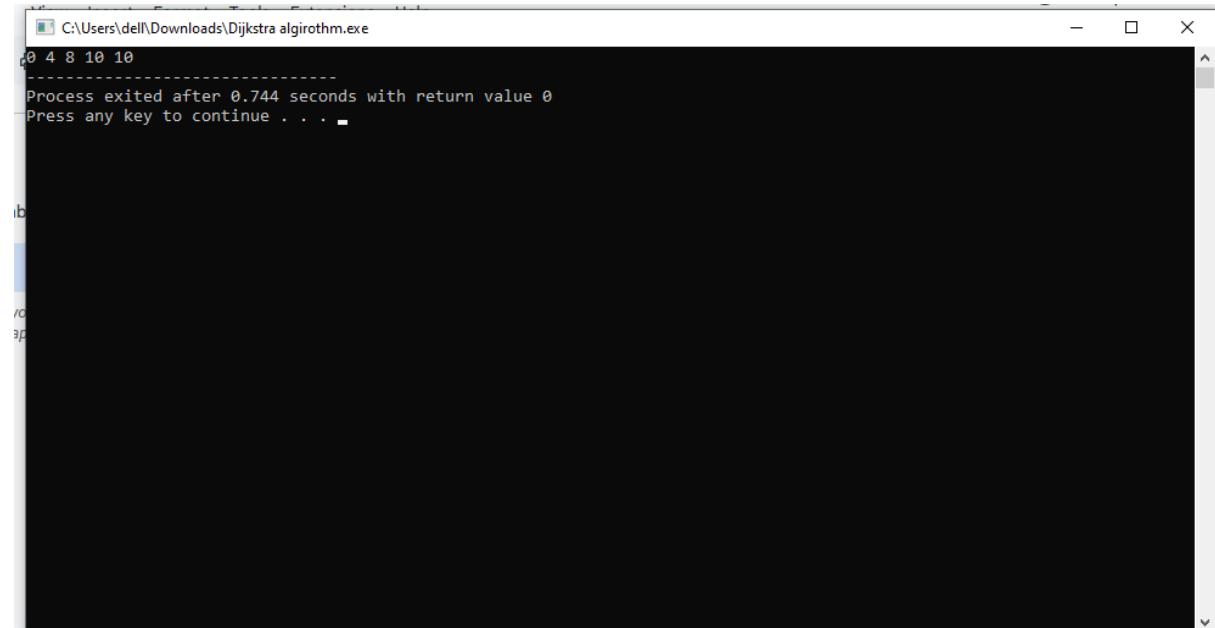

The screenshot shows a software interface with a toolbar at the top containing icons for Compiler, Resources, Compile Log, Debug, Find Results, and Close. The main window displays the following text:

```
Compilation results...
-----
- Errors: 0
- Warnings: 0
- Output Filename: C:\Users\dell\Downloads\Dijkstra algirothm.exe
- Output Size: 1.96197986602783 MiB
- Compilation Time: 5.61s
```

At the bottom, there are status indicators: Row: 13, Col: 25, Sel: 0, Lines: 86, Length: 2403, Insert, and Done parsing in 1.797 seconds.

### Output

The screenshot shows a terminal window with the following text:

```
C:\Users\dell\Downloads\Dijkstra algirothm.exe
0 4 8 10 10
-----
Process exited after 0.744 seconds with return value 0
Press any key to continue . . .
```
